ABOUT US

The Century Instruments was established in 1997 as a consulting and service organization in **Sialkot, Punjab, Pakistan. Our founders have more than 60 years of active experience in the medical and surgical instruments field.**

The Century Instruments has a long tradition of working closely with manufacturers and leading surgeons to consistently develop and refine better instruments. We combine both tradition and innovation in our pursuit of excellence.

Our products are manufactured using modern manufacturing methods and are produced by skilled craftsmen with trained eyes and extensive experience. We are committed to providing surgical instruments that meet high standards of quality, precision and reliability.

To ensure the highest level of quality and professional standards, our company works in accordance with relevant industry requirements and is associated with recognized organizations and certifications, including **CE, ISO 13485, Sialkot Chamber of Commerce & Industry, Pakistan Surgical Association, Federal Board of Revenue (FBR), and Pakistan Single Window (PSW).**

Our goal is to deliver superior surgical instruments as well as professional and efficient repair solutions to our customers. We are committed to serving our clients with quality products, reliable services and long-term business relationships.
